Congreve pushed himself back from the podium with his arms and straightened. When he resumed speaking, his tone had lightened slightly. "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh-- "these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere. We must face up to the fact that the danger now threatening us in the years ahead is nothing less than that.. "Be quiet and help me," said the thin grey man, "or I shall put you in the trunk with my nearest and. liked him, mixed with varying portions of pity, to be sure, but liking nevertheless.
