He held the wizard's letter and reread the message and the two runes. They were waiting for him. As if to illustrate what he was saying, he had picked up a bit of brick from the broken pavement, and tossed it up in the air, and as he spoke it fluttered about their heads on delicate blue wings, a butterfly. He put out his finger and the butterfly lighted on it. He shook his finger and the butterfly fell to the ground, a fragment of brick. He sailed up the broad straits till Mount Onn was hidden by the headlands at the mouth of the Bay of Havnor. He would not see it again unless he went through that narrow passage. Then he would see the mountain, all the sweep and cresting of it, over the calm waters where he used to try to raise up the magewind when he was twelve; and sailing on he would see the towers rise up from the water, dim at first, mere dots and lines, then lifting up their bright banners, the white city at the center of the world. never seen wild swine in the wood, she saw their tracks here. For a moment she caught the scent of Enlad. "What, to send them back into death?" the Namer said, and the Patterner, "Who is to say what is. And it's true that in the time of Medra and Elehal the people of Roke, men and women, had no fear. And the mills of capitalism provide them. Supply meets demand. Fantasy becomes a commodity, an.
