Can there be such things?."Down!" Maddock yelled, and all three hurled themselves sideways to get out of the line of fire as a smoke grenade launched from around a corner some distance behind them exploded at the entrance. Fire from the entranceway raked the area as the D Company squad broke cover and

rushed forward through the smoke, but the first of them was still twenty feet away when the steel door slammed down and alarms began sounding throughout the Government Center. -Like any mature realist, Borstein had come to terms with the regrettable truth that on occasion the plans and stratagems which he approved would result in fatalities, as often as not in agonizing and horrifying ways, but he had learned to "objectivize his perspective" with the detachment required by his profession. The numbers of killed and wounded predicted for an intended operation were presented by his analysts as the "Loss Factor" and the "Combat Reduction Factor," respectively; a city selected to be incinerated along with its inhabitants was "nominated"; an area drenched with napalm and saturated with high explosive was subjected to "exploratory aggressive reconnaissance"; and a village flattened as a warning against harboring insurgents became an object of a "protective reaction." Such were the rules. "Good thing we weren't playing Russian roulette," Leilani said. "My brains would be all over the kitchen." Five minutes later the three Terrans rounded a corner and began following a footpath running beside a stream that would bring them to Adam's. They were deep in thought and had said little since bidding the painter farewell. After a short distance Jay slowed his pace and came to a halt, staring up at a group of tall Chironian trees standing on the far side of the stream alongside a number of familiar elms and maples that were evidently imported-genetically modified by the Kuan-yin's robots to grow in alien soil. The two sergeants waited, and after a few seconds followed Jay's gaze curiously. CHAPTER THIRTY-FOUR. Staying closer than Curtis intended, the dog presses against his legs and pushes her nose to the gap. claimed to've been abducted by purple squids from Jupiter or something, three years before. I figured. Lechat looked thoughtfully at his plate while he finished chewing a mouthful of food. "You make them all sound like millionaires," he commented. Stern snorted. "I need neither. The same forces that will subdue Chiron will subdue the people also." His eyes flickered over Celia's body momentarily. "And they will submit because they, like you, have an instinct to survive." Micky and Mrs. D were nice people, caring people, and when Leilani shared the details of her situation. Chapter 10. out of her mind the way you just saw her. Another zoom shot revealed that the man delivered by the Jaguar was Congressman Jonathan Sharmer. ten. One boy with Tinkertoy hips put together with monkey logic, thrown down into a lonely grave, would actually tighten up a notch. "against the stable of his ribs. Who're you running from, boy?" Jean bit her lip, hesitated for a moment, and then placed her hand comfortingly on Celia's shoulder. "You mustn't think like that," she urged. "You're trying to take all the guilt upon yourself and-". An SD major with a smoke-blackened face and one of his sleeves? covered in blood emerged unsteadily from the tunnel mouth; immediately behind him were four more SD's looking disheveled and one of them also bloodstained around the head. Lesley and the others came out from cover as Jarvis and a couple of his men went forward to escort the five back. She wasn't sure that she could speak, but after a hesitation, she found her voice: "They'd have come for. Leilani's mother, half mesmerized by her bizarre performance. decent, too. Decent like you." After a short silence Colman said, "About all these robots--exactly how smart are they?" -Driscoll was feeling more relieved. If what he had seen so far was anything to go by, the Chironians weren't going to start any trouble. He'd had to bite his tongue in order to keep a straight face back in the antechamber by the ramp, and it was a miracle that nobody important had heard Stanislaw sniggering next to him. The Chironians were okay, he had decided. Everything would be okay. . . provided that ass-faces like Farnhill didn't go and screw things up. MRS. GRAYFORD, THE plump, extravagantly dressed wife of Vice-Admiral Crawford, Slessor's second-in-command of the Mayflower H's crew, closed the box containing her new set of Chironian silver cutlery and added it to the pile of boxes on the table by her chair. Among other things the jumble included some exquisite jewelry, an inlaid chest of miniature, satin-lined drawers to accommodate them, a set of matching animal sculptures in something not unlike onyx, and a Chironian fur stole. "Where we'll end up living, I've no idea, but I'm sure these will enhance the surroundings wherever it is. Don't you think the silver is delightful? I'd never have thought that such unusual, modern styling could have such a feel of antique quality, would you? I must return to that place the next time I go down to Franklin. Some of the tableware there went with it perfectly." "At least I didn't catch you playing with yourself. Let's get out of here." "Oh, I don't know... four, five, maybe. I used to like all the lights and the life here, but it gets to be too hectic after a while. Now I prefer the hills. It's mainly the youngsters who live right inside Franklin these days, but some of the Founders are still here." The mutt is gradually becoming his master's psychic brother as well as his only friend. He shakes off his. targets in a shooting gallery if it's on the wrong corner." mother, Leilani had said, couldn't make up anything as weird as what is. "I'm not sure I believe in life before death," Micky said. "On the contrary, Mr. Stern, they understand the same language that people everywhere speak," Chester said. "We will deal with them in the same way that we have already dealt with you." and she went inside. Kath watched in silence for a second or two but for some reason seemed to find the situation amusing. Bernard stared with a mixture of uncertainty and resentment. "I think I know what's going through your mind," she told him. "But don't worry about it. We don't take orders from Farnhill or Merrick here. Hoskins doesn't have a lot of experience with high-flux techniques yet, and Walters is good but careless with details. If the people here were going to accept anybody new, it would be somebody who knew what they were doing and who didn't leave anything to chance, however tiny." "You could clarify yourself right into a casket." ricocheted across Utah with the unpredictability of a pinball. After all this time and considering the. "She ought to've been paid to take it. Anyway, they put old Sinsemilla in an institution once and shot like. "Of course not! But one of the Tech grades maybe. . . Two or Three perhaps. Or maybe the graduate entry stream." -rope, stretched long by centrifugal force that thwarted its inward-coiling efforts, the reptile parted the air. "Oh yes, of course." Shirley nodded. "That sounds pretty awful. Still, it's their business." Out in the vast parking area, where cones of dirty yellow light alternate with funnels of shadow, there's. Jean shook her head, still refusing to contemplate the prospect. "But why does it have to be over?" She looked imploringly at Bernard. "We were happy all those years in the ship, weren't we? We had our friends, like Jerry and Eve, we had the children. There was your job. Why should this planet take it all away from us? They don't have the right. We never wanted anything from them. It's-it's all wrong." swarm the night. drink. "Starting to feel a little better?" Jean asked as she refilled Celia's cup. Celia nodded. "Are you sure you wouldn't like to lie down somewhere and rest for half an hour before you leave? It might do you a lot of good." Celia shook her head. Jean nodded resignedly and replaced the pot on the warmer before sifting down again between Celia and Marie. mother's daughter; therefore, her genes might be her destiny if she wasn't careful. She goes. The young intruder looks away from the pop star, confused by his feelings, surprised that he possesses. And so it was resolved that the first extension of the New Order would be proclaimed officially on the planet of Chiron, and Howard Kalens would be its minister. He had gained the first foothold of

his empire. "It's the beginning," he told Celia later that night. "Ten years from now it will have become the capital of a whole world. With a seeking a bench for her knees...seriousness?if that's what it takes to get the pie?that my mother isn't a danger to me.
