Whether performed or read silently, all such poems and songs are consciously valued for their content, not for their literary qualities, which range from high to nil. Loose regular meter, alliteration, stylised phrasing, and structuring by repetition are the principal poetic devices. Content includes mythic, epic, and historical narrative, geographical descriptions, practical observations concerning nature, agriculture, sea lore, and crafts, cautionary tales and parables, philosophical, visionary, and spiritual poetry, and love songs. The deeds and lays are usually chanted, the ballads sung, often with a percussion accompaniment; professional chanters and singers may sing with the harp, the viol, drums, and other instruments. The songs generally have less narrative content, and many are valued and preserved mostly for the tune. Diamond sat upright and still. He had been getting some of his father's height and girth lately, and looked very much a man, though a very young one. "give up everything you love!". The witch said nothing. It was a different matter from what he had believed. the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away. She'd have thought being King in Havnor wasn't good enough for him. And celibate. When he came home he had a three-year-old daughter with him. He turned her over to the housekeeper and forgot about her. When he was drunk sometimes he remembered her. If he could find her, he made her stand by his chair or sit on his knees and listen to all the wrongs that had been done to him and to the house of Iria. He cursed and cried and drank and made her drink, too, pledging to honour her inheritance and be true to Iria. She drank the wine, but she hated the curses and pledges and tears and the slobbered caresses that followed them. She escaped, if she could, and went down to the dogs and the horses and the cattle, and swore to them that she would be loyal to her mother, whom nobody knew or honoured or was true to, except herself. he was what he had called a sending or was there in flesh and blood. Nothing about him appeared. She had no wish to explore for herself. The peacefulness of the place called for stillness, wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the. "How else?" he said. But in fact Golden wasn't thinking only about the business. He had observed something about his son that had made him not exactly set his eyes higher than the business, but glance above it from time to time, and then shut his eyes. something? I was numb from the strain of trying not to do anything wrong. This, for four days. "He does. But, admitting it unlikely, admitting it impossible - if we did defeat him - if he went back into death and left us here alive - what would we do? What comes next?" musicians, ballad-singers and such, learning all their trash. That was no life for a merchant's son who was to inherit and manage his father's properties and mills and
business, and Golden told him so. "Singing time is over, son," he said. "You must think about being a man.". as you know, live with lords, and have what they wish.". After
Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago
became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or
defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant
raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to
warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute.. "That would be
only what the women of the Hand call it, keeping its meaning from the wizards and the pirates. To them no doubt it would bear some other name.". During the voyage,
however, he talked several times with Dragonfly, which made Ivory a bit uneasy. Her ignorance and trustfulness could endanger her and therefore him. What did she and
the bagman talk about? he asked, and she answered, "What is to become of us.". "I could fly there as a tern and be back on the ship before daylight," he said to himself, but
