Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared up high above his ships, leading them, gazing into the west for the sight of that hill..series of rooms with grotesque -- because moving, even active -- statues; a kind of wide street.She said, "I know." He needed much more quicksilver than he had, therefore he needed a finder. Finding was a base skill. Gelluk had never practiced it, but he could see that the young fellow had the gift. He would do well to learn the boy's true name so that he could be sure of controlling him. He sighed at the thought of the time he must waste teaching the boy what he was good for. And after that the ore must still be dug out of the earth and the metal refined. As always, Gelluk's mind leapt across obstacles and delays to the wonderful mysteries at the end of them..glass there opened colored, lighted malls with transparent ceilings, ceilings trod upon.Still it rankled him that Diamond had let him down flat, without a word of thanks or apology. So much for good manners, he thought.. "Why would you come to the Marsh?" she asked.
